Stayed here for work with a colleague in yet another lockdown. Nice clean house in a convenient location. Great communication a good stay had by both me and my colleague.

I booked this place as a last minute getaway for a family weekend with my cousins and siblings for two nights. The day before check-in, Chris called me and offered some really helpful hints and tips

about the local area which I really appreciated. The AirBnB is in a nice new-build cul-de-sac and is completely detached. The bedrooms are all a really good size and very, very clean! This is the bit that impressed me the most. The bedding was also fab and very clean. The photos are honestly a very good representation of what the property looks like. The only thing I would add is that the selection of pots/pans is limited if you are intending to cook at the property for a large group but that's the only thing that I think that could be improved. Lastly, Chris's communication was so prompt and helpful! I would like to say a special thank you for letting us stay at your AirBnB!
